HAVE FUN – ENHANCE SKILLS

3-on-3 hockey has been proven to offer many benefits. Players learn to use tighter moves on their skates and with their puck handling due to the smaller ice area. With only 3 players on the ice, the distinction between offensive and defensive players becomes blurred, creating a need for all players to have an offensive and a defensive presence. And shorter games and faster pace on the ice greatly increases the fun factor! Come experience it for yourself as Empire Sports hosts an epic 3-on-3 tournament in scenic West Michigan.
